

# CONTENT AND TEST FORMAT OF PRE-IELTS 1 COURSE

## I. Overview of course content

- In this course, we will focus on understanding the basic knowledge of vocabulary, grammar, basic listening skills, and basic reading skills. Course content includes:
  - ✚ Vocabulary and grammar: Main textbook – **Destination B1**
  - ✚ Listening skills: Main textbook - **Basic Ielts Listening**
  - ✚ Reading skills: Main curriculum - **Get Ready For Reading Ielts**
- This course focuses on fundamental knowledge, including understanding basic grammatical structures and common English vocabulary through life topics, level B1.
- Listening lessons from basic to advanced help learners become familiar with basic forms of listening in everyday life.
- Provide some vocabulary and tips during the reading process, the readings are related to common topics for learners to access easily.

## II. Point checking process

Skill	Content of test	Coefficient of skill	Total number of tests
<b>Vocabulary and Grammar (AS1)</b>	Destination B1	15	15
<b>Listening (AS2)</b>	Basic Ielts Listening	5	5
<b>Reading (AS3)</b>	Get Ready For Reading Ielts	5	5
<b>GPA to be achieved <math>\geq 7.0</math></b>			<b>25</b>

## II. Evaluate the learning process

Category	Requirement
Test	$\geq 7.0$ (mandatory conditions)
Interaction	There is interaction, exchange, discussion, and feedback with the teacher during the learning process
Homework	Do all your homework. If you have any questions, you can ask the teacher at any time. Although homework does not count toward GPA, it does represent a student's level of learning.
Self-discipline and self-study	Students must study and do homework voluntarily without having to wait for the instructor to remind them too much. Voluntarily review homework and learn old lessons before going to class.
Quiz and extra tests	Students proactively do homework according to the teacher's requests. Do the test honestly according to your ability, do not use documents or copy from other sources, but do it yourself.

### Requirements:

- To achieve good learning quality, students need to work hard and review knowledge regularly.
- Focus in the learning process to understand the lesson. Strictly comply with the requirements set forth.
- Keep your mind stress-free, always comfortable to get the best learning quality.

## II. Result of evaluation.

GPA is the score that measures students' learning process. Based on GPA, you can know what level you are in, whether you are improving every day or not. From there, you will have a reasonable striving plan for yourself. Try your best to study well. To make your own dreams come true.

<p>Final GPA Requirements: The Final GPA is the final grade of the course. <b>Students must achieve 7.0 or higher</b> (calculated on a scale of 10) to be considered to <b>have completed</b> the course objectives.</p>	<p><b>Passing Final GPA</b> <b>≥ 7.0</b></p>
	<p><b>Note that:</b> Final GPA = <math display="block">\frac{AS1 * 15 + AS2 * 5 + AS3 * 5}{25}</math></p>
